

Addendum to the By-Laws of
THE 467 CENTRAL PARK WEST CONDOMINIUM
RULES AND REGULATIONS
OF
THE 467 CENTRAL PARK WEST CONDOMINIUM

1. The sidewalks, entrances, passages, public halls, elevators, vestibules, corridors and stairways of or appurtenant to the Building shall not be obstructed or used for any purpose other than ingress to and egress from the Units.

2. No velocipedes, bicycles, scooters, or similar vehicles shall be taken into or from the Building through the main entrance or shall be allowed in any of the elevators of the Building other than the elevator designated by the Condominium Board or the Managing Agent for such purpose, and no baby carriages or any of the above-mentioned vehicles shall be allowed to stand in the public halls, passageways, or other public areas of the Building.

3. All service and delivery persons will be required to use the service entrance or such other entrance of the Building designated by the Condominium Board. In addition, all servants, messengers and tradespeople visiting the Building shall use the elevator designated by the Condominium Board or the Managing Agent for the purposes of ingress and egress, and shall not use any of the other elevators for any purpose, provided, however, that nurses in the employ of Unit Owners or their Family Members, guests, tenants, subtenants, licensees, or invitees may use any of the other elevators when accompanying said Unit Owners, Family Members, guests, subtenants, licensees or invitees.

4. Trunks and heavy baggage shall be taken in or out of the Building only by the elevator designated by the Condominium Board or the Managing Agent for that purpose and only through the service entrance.

5. No article (including, but not limited to, garbage cans, bottles or mats) shall be placed or stored in any of the halls or on any of the staircases or fire tower landings of the Building, nor shall any fire exit thereof be obstructed in any manner.

6. The storage rooms of the Building shall be used by all Unit Owners, in common, only for the storage of trunks, bags, suitcases and packing cases, all of which shall be empty, and for the storage of such other articles as the Condominium Board, in its sole discretion, may determine. Supervision, management and control of the storing in and removal of a Unit Owner's property from the storage rooms is vested in the Condominium Board. The use of the

storage rooms shall be at the sole risk of the Unit Owner or other person using the same, and the Condominium Board, its agents, or the Managing Agent shall not be liable for any injury to person, loss by theft or otherwise, or damage to property, whether due to the negligence of the Condominium Board, its agents, the Managing Agent, or otherwise.

7. The laundry and drying apparatus in the laundry room of the Building shall be used in such manner and at such times as the Condominium Board or the Managing Agent may direct. No clothes, sheets, blankets, laundry, or other articles of any kind shall be hung on or out of a Unit or shall be dried or aired on any open terrace or patio.

8. No refuse from the Units shall be sent to the cellar of the Building, except at such times and in such manner as the Condominium Board or the Managing Agent may direct. Nothing shall be hung or shaken from any doors, window, or open terraces or patios, or placed upon the window sills, of the Building, and no Unit Owner shall sweep or throw, or permit to be swept or thrown, any dirt, debris or other substance therefrom.

9. There shall be no playing or lounging in the entrances, passages, public halls, elevators, vestibules, corridors, stairways, or fire towers of the Building, except in recreational areas or other areas designated as such in the Declaration or by the Condominium Board.

10. The Condominium Board or the Managing Agent may, from time to time, curtail or relocate any portion of the Common Elements devoted to storage, recreation, or service purposes in the Building.

11. Nothing shall be done or be kept in any Unit or in the Common Elements that will increase the rate of insurance of the Building, or the contents thereof, without the prior written consent of the Condominium Board. No Unit Owner shall permit anything to be done or kept in his or her Unit or in the Common Elements that will result in the cancellation of insurance on the Building, or the contents thereof, or that would be in violation of any Law. No Unit Owner or any of his or her Family Members, agents, servants, employees, licensees, or visitors shall, at any time, bring into or keep in his or her Unit any inflammable, combustible, or explosive fluid, material, chemical, or substance, except as shall be necessary and appropriate for the permitted uses of such Unit.

12. There shall be no barbecuing in the Units, or in the Common Elements, except for those areas (if any) specifically designated for barbecuing by the Condominium Board.

13. No Unit Owner shall make, cause, or permit any unusual, disturbing, or objectionable noises or odors to be produced upon or to emanate from his or her Unit or permit anything to be done therein that will interfere with the rights, comforts, or conveniences of the other Unit Owners. No Unit Owner shall play upon or suffer to be played upon any musical instrument, or shall operate or permit to be operated a phonograph, radio, television set, or other loudspeaker in such Unit Owner's Unit between midnight and the following

8:00 A.M., if the same shall disturb or annoy other occupants of the Building, and in no event shall any Unit Owner practice or suffer to be practiced either vocal or instrumental music between the hours of 10:00 P.M. and the following 9:00 A.M. No construction, repair work, or other installation involving noise shall be conducted in any Unit except on weekdays (not including legal holidays) and only between the hours of 8:00 A.M. and 5:00 P.M., unless such construction or repair work is necessitated by an emergency.

14. No bird, reptile, or animal shall be permitted, raised, bred, kept, or harbored in the Building unless, in each instance, the same shall have been expressly permitted in writing by the Condominium Board or the Managing Agent. Any such consent, if given, shall be revocable at any time by the Condominium Board or the Managing Agent in their sole discretion. In no event shall any bird, reptile, or animal be permitted in any public elevator of the Building, other than the elevator designated by the Condominium Board or the Managing Agent for that purpose, or in any of the public portions of the building, unless carried or on leash. No pigeons or other birds or animals shall be fed from the window sills, patios, terraces, or other public portions of the building, or on the sidewalk or street adjacent to the Building.

15. No Unit Owner shall install any plantings on any terrace or patio, without the prior written approval of the Condominium Board. Plantings shall be contained in boxes of wood, lined with metal or other material impervious to dampness and standing on supports at least two inches from the terrace or patio surface, and, if adjoining a wall, at least three inches from such wall. Suitable weep holes shall be provided in the boxes to draw off water. In special locations, such as a corner abutting a parapet wall, plantings may be contained in masonry or hollow tile walls which shall be at least three inches from the parapet and flashing, with the floor of drainage tiles and suitable weep holes at the sides to draw off water. Such masonry planting beds shall not, however, rest directly upon the surface of such terrace or patio, but shall stand on supports at least two inches above such surface. It shall be the responsibility of the Unit Owner to maintain the containers in good condition, and the drainage tiles and weep holes in operating condition. Such Unit Owner shall pay the cost of any repairs rendered necessary, or damage caused, by such plantings.

16. No group tour or exhibition of any Unit or its contents shall be conducted, nor shall any auction sale be held in any Unit, without the consent of the Condominium Board or the Managing Agent in each instance. In the event that any Unit shall be used for home out-patient purposes in conformance with the Declaration and the By-Laws, no patients, clients or other invitees shall be permitted to wait in any lobby, public hallway, or vestibule.

17. Unless expressly authorized by the Condominium Board in each instance, not less than eighty percent of the floor area of each Unit (excepting only kitchens, pantries, bathrooms, closets and foyers) must be covered with rugs, carpeting, or equally effective noise-reducing material.

18. No window guards or other window decorations shall be used in or about any Unit, except such as shall be required by law or shall have been

approved in writing by the Condominium Board or the Managing Agent, which approval shall not be unreasonably withheld or delayed. In no event, however, shall any exterior glass surfaces of any windows at the Property be colored or painted.

19. No ventilator or air conditioning device shall be installed in any Unit without the prior written approval of the Condominium Board, which approval may be granted or refused in the sole discretion of the Condominium Board.

20. No radio or television aerial shall be attached to or hung from the exterior of the Building, and no sign, notice, advertisement, or illumination (including, without limitation, "For Sale", "For Lease", or "For Rent" signs) shall be inscribed or exposed on or at any window or other parts of the Building, except such as are permitted pursuant to the terms of the Declaration and/or the By-Laws or shall have been approved in writing by the Condominium Board or the Managing Agent. Nothing shall be projected from any window of a Unit without similar approval.

21. All radio, television, or other electrical equipment of any kind or nature installed or used in each Unit shall fully comply with all rules, regulations, requirements, or recommendations of the New York Board of Fire Underwriters and the public authorities having jurisdiction, and the Unit Owner alone shall be liable for any damage or injury caused by any radio, television, or other electrical equipment.

22. Water-closets and other water apparatus in the Building shall not be used for any purpose other than those for which they were designed, and no sweepings, rubbish, rags or any other article shall be thrown into the same. Any damage resulting from misuse of any water-closets or other apparatus in a Unit shall be repaired and paid for by the owner of such Unit.

23. Each Unit Owner shall keep his or her Unit in a good state of preservation, condition, repair and cleanliness in accordance with the terms of the By-Laws.

24. The agents of the Condominium Board or the Managing Agent and any contractor or workman authorized by the Condominium Board or the Managing Agent, may enter any room or Unit at any reasonable hour of the day, on at least one day's prior notice to the Unit Owner, for the purpose of inspecting such Unit for the presence of any vermin, insects, or other pests and for the purpose of taking such measures as may be necessary to control or exterminate any such vermin, insects or other pests; however, such entry, inspection and extermination shall be done in a reasonable manner so as not to unreasonably interfere with the use of such Unit for its permitted purposes.

25. The Condominium Board or the Managing Agent may retain a pass-key to each Unit. If any lock is altered or a new lock is installed, the Condominium Board or the Managing Agent shall be provided with a key thereto immediately upon such alteration or installation. If the Unit Owner is not

personally present to open and permit an entry to his or her Unit at any time when an entry there is necessary or permissible under these Rules and Regulations or under the By-Laws, and has not furnished a key to the Condominium Board or the Managing Agent, then the Condominium Board or Managing Agent or their agents (but, except in an emergency, only when specifically authorized by an officer of the Condominium or an officer of the Managing Agent) may forcibly enter such Unit without liability for damages or trespass by reason thereof (if, during such entry, reasonable care is given to such Unit Owner's property).

26. If any key or keys are entrusted by a Unit Owner, by any Family Member thereof, or by his or her agent, servant, employee, licensee, or visitor to an employee of the Condominium or of the Managing Agent, whether for such Unit Owner's Unit or an automobile, trunk, or other item of personal property, the acceptance of the key shall be at the sole risk of such Unit Owner, and neither the Condominium Board nor the Managing Agent shall (except as provided in Rule 25 above) be liable for injury, loss or damage of any nature whatsoever, directly or indirectly resulting therefrom or connected therewith.

27. Unit Owners and their respective Family Members, guests, servants, employees, agents, visitors, or licensees shall not at any time or for any reason whatsoever enter upon, or attempt to enter upon, the roof of the Building.

28. No occupant of the Building shall send any employee of the Condominium or of the Managing Agent out of the Building on any private business.

29. Any consent or approval given under these Rules and Regulations may be amended, modified, added to, or repealed at any time by resolution of the Condominium Board. Further, any such consent or approval may, in the discretion of the Condominium Board or the Managing agent, be conditional in nature.

30. Complaints regarding the service of the Condominium shall be made in writing to the Condominium Board or to the Managing Agent.
